

Course and Men's Club Data Update for 2017

Accurate club and course information is vital to the MPGA. It will insure that all correspondence from us will be received in a timely manner to include meeting notifications, banquet information, tournament schedules and our newsletter. Please take the time to make any needed changes and forward them back to the MPGA Secretary. You may fill out the form and send it back by snail mail or down load the form and email it back to me at mpgasecretary@comcast.net. Your cooperation would be greatly appreciated.
