

UPDATE!

Unfortunately, Brookview has received over 5 inches of rain and the course will not be playable in its entirety until next week.

As a result, we will need to change the finals to the following Sunday, 9/30/2018. We also moved the tee times ahead one hour to make sure we are finished before it gets dark.

Weather forecast is looking like it will be a bit chilly as Fall golf usually is. Let's hope that the rain/snow holds off and we can get the matches in.

Since we will not have the results for the finals before the Fall Banquet on Friday 9/28, we will announce the winners via email and web and mail all of the plaques to the winning team captains.

Thank you again for your patience and understanding and I will see everyone next weekend.

Here are the starting tee times for your groups. The tee times are in 10 minute intervals.

8:00 AM – 12 Man

9:00 AM – 16 Man B

10:20 AM – 16 Man A

11:40 PM – 20 Man

All play will be from the White Tees. 6123 Yards, 70.0/131.
